Oh yeah. When I first saw you on that daytime TV show,  
sittin' behind that plate of Spaghetti, I knew that you  
where no ordinary cat. Haters will hate on you, and  
make negative comments, such as, "that cat looks  
scared", and, "that cat should not be eating spaghetti".  
But you just keep on eatin' that spaghetti, 'cos you'll  
always be... Spaghetti cat (I weep for you)

Spaghetti cat (It's all I can do)  
Spaghetti cat (To keep from falling apart)  
Spaghetti Cat (cos' your breakin' my heart)  
SPAGHETTI CAT!
