So long ago  
When time moved so slow  
I'm so cold.  
I've waited so long  
Jealously guarding my soul.  
So strange to learn  
To give my heart to be whole.

CH:  
And you will sing me to heaven  
A place where the sunset is golden  
Singing and laughing as children  
Patience and love our heaven

No longer alone  
I finally relax my guard  
The waiting is here  
I try not to make it so hard  
To be understanding  
Sometimes I go too far

CH:  
And I will sing you to heaven  
A place where the sunset is golden  
Singing and laughing as children  
Patience and love our heaven
