One time down on my knees  
One time down on my face will let me see  
How weak I truly am  
Oh how I need You now  
I'm begging please

Pre-Chorus:

How can I tell You what I'm thinking  
How can I show You my heart  
How can I share what I'm feeling  
Now that my world's torn apart

Chorus:

How can I say? (How can I say?) How can I show? (How  
can I show?)  
Love from my eyes should tell my story  
How can I say? (How can I say?) How can I show? (How  
can I show?)  
How can I show you that I care?  
How can I show You that...

When the grip of pain  
You feel my love refrain  
From showing You what's inside (what's in my heart,  
what's in my heart)  
I wonder how I fell  
Was doing well, but You have broken my pride  
(silenced my pride)

Repeat Pre-Chorus

Repeat Chorus

Bridge:

And if I never told You would You hear and  
understand?  
And if I never showed You would You smile and take  
my hand?

Repeat Chorus

I care
