Heart, Heart, Heart, oooooooooo

Chorus:

You gotta give Him your heart!

All you've got to do is just give Him your heart

All you've got to do is just give Him your heart

All you've got to do is just, just give Jesus your heart

You gotta give Him your heart!

All you've got to do is just give Him your heart

All you've got to do is just give Him your heart

I say now all you've got to do is just, just give Jesus  
your heart

Well, there are many out there who haven't met the  
Lord

And there are many out there who haven't read His  
word

And there are many out there who don't know where to  
start

Just give Jesus your heart.

So give Him your heart!

All you've got to do is just give Him your heart

All you've got to do is just give Him your heart

All you've got to do is just, just give Jesus your heart

We must tell them in time so they can know His love

Yes, we must tell them in time of the power from above

We must tell them in time before there is no time

Just give Jesus your heart

The world is evil and is out for itself

The world is caring for nobody else

The world is bogus and it won't understand

The love and heart of the Man

The world needs Jesus or there's no need to live

The world without Him has nothing to give

The world is living in continuous night

Let Him give you the light

You gotta give Him your heart!

All you've got to do is just give Him your heart

All you've got to do is just give Him your heart  
You know that all you've got to do is just, just give Jesus  
your heart  
Just give Jesus your heart!  
Just give Jesus your heart!
