Chorus 1:

Give and it will be given to you
Give and it will be given to you
Give and it will be given to you (give and it will be given)
Give and it will be given to you (give and it will be given)
Give and it will be given to you (give and it will be given) (give and it will be given)
Give and it will be given to you (give and it will be given)
Give and it will be given to you (give and it will be given) (give and it will be given)
Give and it will be given to you (give and it will be given) (give and it will be given)
Give and it will be given to you (give and it will be given) (give and it will be given) (give it)
Give and it will be given to you (give and it will be given) (give it)
Give and it will be given to you (give and it will be given) (give and it will be given) (give it)
Give and it will be given to you (give and it will be given) (give it)

Oh, when you feel like this old world (give it, give it)
It takes more than it deserves (give it)
And you know it always will (give and it will be given to you) (give and it will be given)
'Cause when your heart is black and blue (give it, give it)
There's not much left of you to lose (give it)
And you long to be fulfilled- yes, you do (give and it will be given to you) (give and it will be given)
Just take advice from the One who set you free (give it, give it, give, give it, give it, give) (listen to Jesus)
He held the world in His hand, yet He died for me (give it, give it, give)
We need to learn to live our lives so unselfishly (give it, give it, give, give it) (we learn to live)
If we give all that we have, we will receive more than we need

Chorus 2:

Give and it will be given to you (give and it will be given) (give and it will be given)
Give and it will be given to you (give and it will be given)
Give and it will be given to you (give and it will be given) (give and it will be given)
Give and it will be given to you (give and it will be given)
Give and it will be given to you (give and it will be given) (give) (give it)
Give and it will be given to you (give and it will be given) (give it)
Give and it will be given to you (give and it will be given) (give) (give it, give it)
Give and it will be given to you (give and it will be given) (give it)

I've found this world's a mess (give it, give it)
Of greed and selfishness (give it, give it)
On a mission to obtain (give and it will be given to you) (give and it will be given)
'Cause when the love in life goes lost (give it, give it)
With all the price tags and the cost (give it, give it)
We'll realize it's all in vain (give and it will be given to you) (give and it will be given)
Open hearts are the only ones that grown (give it, give it, give, give it, give it, give) (listen to Jesus)
Don't you know (give it, give it, give, give it)
He will bless the harvest of the seeds we sow
What we give is worth so much more than (give it, give it, give, give it, give it, give)
What we have to show (give it, give it, give, give it) (we learn to live)
If we give it all, He'll bless us more than we will ever know (ever know), ever know

Chorus 3:

Give and it will be given to you (give it, give it)
Give and it will be given to you (give it, give it) (more than we will ever know)
Give and it will be given to you (give and it will be given) (give and it will be given) (give it, give it)
Give and it will be given to you (give and it will be given) (give it, give it)
Give and it will be given to you (give and it will be given) (give and it will be given) (give it, give it)
(Well, you know he's gonna bless you)
Give and it will be given to you (give it, give it)

Now don't take my word if you aren't a believer (give

and it will be given to you) (give and it will be given)
'Cause it doesn't start with me, you see (give and it will
be given to you) (give and it will be given)
I've got the low down, all I ever wanted to know (give
and it will be given to you) (give and it will be given)
'Cause the bible tells me so (give and it will be given to
you) (give and it will be given)

A good measure pressed down
Shaken together, running over
Will be poured into your lap
Will be poured into your lap
A good measure pressed down
Shaken together, running over
Will be poured into your lap
Will be poured into your lap

For with the measure you use
It will be measured to you
