Chorus:

Roll the stone away, Roll the stone away  
Lord God, Almighty gonna roll the stone away  
You promised you'd rise, Lord, on the third day  
Lord God, Almighty gonna roll that stone away

Repeat Chorus

Jesus was a man free from sin we know  
Well He taught us that we reap the very things we sow  
He taught us parables of life we see today  
Hey, and on that third day He rolled that stone away

Repeat Chorus

They mocked Him and scourged Him and said his  
words were lies

But Jesus had compassion with pity in His eyes  
And I can't wait to see what he has to say  
Oh, how He felt when He rolled the stone away

Repeat Chorus

Well, He's coming back (hey) and that's one thing for  
sure  
Well, He's looking for the blameless, the righteous,  
and the pure  
And I can't wait to see what he has to say  
Oh, how He felt when He rolled the stone away

Repeat Chorus (x2)

I said Lord God, Almighty gonna roll that stone away
