We don't have to speculate on where we came from
We don't have to guess as to why we exist
God has made it clear through the Word He gave us
Made it very clear though the struggles persist

Chorus:

We have found the way, we have found the way
We have found the way to glory
Jesus is the way, Jesus is the way
He's the only way to glory

We are not intelligent beyond our measure
We have just received what He chose to reveal
Everything we see on this earth is fleeting
What we cannot see is what is real

Repeat Chorus

What we cannot see is what is real (x4)
What we can't see is real (what we can't see) (what we
cannot see is what is real) (x4)
