Time falls through the past  
Gone for certain  
Dreams are never meant to last  
They're pure illusion

Chance encounter on a winter's night  
Steals your soul  
And destroys your mind  
Final hopes and fantasies  
Take away your reality

The chance you take  
Will tempt your darkest fate  
Fall From Grace  
Beyond The Hallowed Gates

Memories grip your fragile mind  
Haunt and torment you  
Try to reach out for the light  
It will redeem you

Chance encounter on a winter's night  
Steals your soul from deep inside  
Final hopes and fantasies  
Take away your reality

All the dreams you've left behind  
Are buried in the darkness of your mind  
Hopes and fears aren't well disguised  
They leave a trace to be found  
The chance you take will tempt your darkest fate  
Fall From Grace  
Beyond The Hallowed...

Gates of freedom lay ahead  
The road before you  
Is filled with hate  
Wisdom and sorrow  
Go hand in hand;  
It's up to you to control your fate

Chance encounter on a winter's night

Leaves you whole and refined  
Final hopes and fantasies  
Fulfil your ultimate reality

All the dreams you've left behind  
Are buried in the darkness of your mind  
Hopes and fears aren't well disguised  
They leave a trace to be found  
The chance you take will tempt your darkest fate
