Time just withers away  
Stealing day after day  
The moon calls, the night falls  
Goodbye beautiful day  
Seems time never can stay  
Just keeps running away  
The stars fly and hearts cry  
Leaving nothing left to say

[Chorus]

Goodbye beautiful day  
I must be on my way  
Bring the rain to wash the pain  
I'm sorry I can't stay  
Goodbye beautiful day  
That's all I have to say  
Come tomorrow I'll be gone  
I'm sorry I can't stay (Sorry I can't stay)

Time always has a say  
Slowly slipping away  
It's gone now yet somehow  
There's no telling time today  
This time I'll go away  
And I'll be gone to stay  
We all know we'll all go  
That's all I have to say

[Chorus]

Goodbye beautiful day  
I must be on my way  
Bring the rain to wash the pain  
I'm sorry I can't stay  
Goodbye beautiful day  
That's all I have to say  
Come tomorrow I'll be gone  
I'm sorry I can't stay (Sorry I can't stay)

[Chorus]

Goodbye beautiful day  
I must be on my way  
Bring the rain to wash the pain

I'm sorry I can't stay  
Goodbye beautiful day  
That's all I have to say  
Come tomorrow I'll be gone  
I'm sorry I can't stay (Sorry I can't stay)

[Chorus]  
Goodbye beautiful day  
I must be on my way  
Bring the rain to wash the pain  
I'm sorry I can't stay  
Goodbye beautiful day  
That's all I have to say  
Come tomorrow I'll be gone  
I'm sorry I can't stay (Sorry I can't stay)
