I can't stop crying  
I can't help staring at you  
I can't stop crying  
I can't believe that I  
Have finally lost you

When you stepped outside the door  
Just to bury me even more

[Chorus]  
You said  
Stop staring, stop caring  
It will burn your eyes, it will make you blind  
Stop staring, stop caring  
It will paralyze

Yes I can see you  
But I can't even try to hold you  
Yes I can smell you  
But every time I do  
It seems that I am grasping for air

When you stepped outside the door  
Just to laugh a little more

[Chorus]  
You said  
Stop staring, stop caring  
It will burn your eyes, it will make you blind  
Stop staring, stop caring  
It will paralyze

When you stepped outside the door  
Just to bury me even more

[Chorus]  
You said  
Stop staring, stop caring  
It will burn your eyes, it will make you blind  
Stop staring, stop caring  
It will paralyze

When you stepped outside the door
