I can feel the weight  
Of the submarine  
Keep it up, don't make a scene  
Breathing through my skin  
Crawling on the wall  
I will climb so I can fall  
Guide me down, beat me down  
Cage me up, or set me free

(Chorus)

Take it back, take it back  
Everything that you said  
Make your mind up, make your mind up  
Take it back, take it back  
There's a hole in your head  
Make your mind up, make your mind up

Angel of the sun  
Clip your metal wings  
All alone, don't drop the phone  
Focus on the wheel  
Even love will heal  
There's the road  
So close your eyes  
Drop me here, drop me there  
Circle round and round and round

(Chorus)

Will I have the time  
To pack up for the ride?  
You took me by surprise, surprise  
Will I have the time  
To clear up my mind?  
You took me by surprise, surprise

(Chorus)

Take it back, take it back  
Everything that you said  
Make your mind up, make your mind up

Take it back, take it back  
There's a hole in your head  
Make your mind up, make your mind up  
Take it back, take it back  
Everything that you said, you said  
You said..
