17 years of hell and I just can't take it anymore  
Its been 17 years of hell and no one has really cared  
for me before  
All my friends said I would fail or I would end up on the  
run  
Its been 17 years of hell and now I wanna have some  
fun  
Because they've given me 17 years 17 years 17 years  
of hell  
Its been 17 years OF HELL now what am I supposed to  
do  
Its been 17 years OF HELL but I can't think of anything  
new  
Now my future seems so bleak theres nowhere I can go  
Its been 17 years OF HELL and my life has been going  
to slow  
Because they've given me 17 years 17 years 17 years  
of hell
