"Brand New Me"

Visit "[Brand New Me](#)" on MotoLyrics.com

Come on down, off of your cloud
Why just be a face in the crowd?
You can remember that once upon a love affair
Your heart was warm; your lips were tender; and I
didn't care, baby

CHORUS:(You're gonna see) you're gonna see
(a brand new me) a brand new me
(It's you that's on my mind this time) I really love you
(I'll be around; I'll never let you down) won't be the
same
(Can't you see my) feet are on the ground

I've had my fill of foolin' around
Ain't no life just being a clown
I heard the weather report and it said sunny today

How did he know that you would show up to love each
day baby

CHORUS

SOLO: (verse instrumental)

REPEAT CHORUS
