Brown eyes, you're beautiful and you're all mine  
I want you like you want me - all the time

Don't say that you don't want me, don't make me run  
away  
'Cause I need that something you bring me every day

Brown eyes, you're beautiful and this song's for you  
I wrote this song that I'm singing just for you

If words could paint a picture, there'd be no words to  
say  
And I'd be the greatest painter in this whole world  
today

And I know what I feel and I know that it's real  
And I feel it every day

And I'm not gonna lay no story on you, girl  
If my story wasn't true  
'Cause you must know by now, I wrote this song for you

Brown eyes, you're beautiful and you're all mine  
I know you want me like I want you - all the time

And if you're not sure I love you, there's somethin' on  
your mind  
Listen to the song I'm singin, I'll sing it one more time

Brown eyes, you're beautiful and you're mine  
Brown eyes, I love you all the time  
Brown eyes, you're beautiful and you're mine
