Could it be forever, or is my mind just a-ramblin' on
Well I touched you once, I kissed you once
Now I feel like you're mine
Well I feel like you're mine, and I see in your face
I'm not wrong to have these feelings
Well I feel like you're mine, I've never known no time
before
That's had so many meanings.

Could it be forever, or am I just a-wastin' time
Well I don't think so, 'cause you let me know
You make me feel like you're mine
Well I feel like you're mine and I can't remember
When the feelings have been stronger
And a-all I know's I can't let go I wanna be with you
I wanna be with you, just a little while longer.

All my feelings come together, all of me is here
Never known when I've felt better

'Cause I know this won't disappear

But... Could it be forever, or is my mind just a-ramblin'
on
Well maybe it is, but if it is, well I'll be movin' on
Well I feel like you're mine and after seeing your face
I'm not wrong to have these feelings
Well I feel like you're mine I've never known a time
before
That's had so many meanings

Feel like you're mine, feel like you're mine
Could it be forever
Feel like you're mine, feel like you're mine
Could it be forever
All I know is I want you so
Could it be forever
Feel like you're mine, feel like you're mine
Could it be forever
All I know is I want you so
Could it be forever.
