Intro:

I go downtown and roam around but every street I walk
I find another
Dead end
I'm on my own but I'm so all alone, I need somebody so
I won't have to
Pretend
I know that someone's just waiting somewhere
I look around for her but she's just not there, oh!

CHORUS:

Doesn't somebody want to be wanted like me?
Where are you?
Doesn't somebody want to be wanted like me - just like me

I'm runnin' free but I don't want to be, I couldn't take
another day
Like yesterday
I'm dead on my feet from walkin' the street, I need
somebody to help me find my way
I've gotta get out of this town, before I do I'll take a last
look
Around, though

CHORUS

BREAK:

SPOKEN:

"You know, I'm no different than anybody else.
I start each day and end each night.
It gets really lonely when you're by yourself.
And where is love?
And who is love?
I gotta know."

CHORUS

REPEAT AND FADE
