We grew up together with ferris wheels and sunshine  
laughter  
A rainbow love that lasted after the rain

Now we're separated and I've become a lonely runner  
And when I rest, I hurt and I wonder if I'll ever see you  
again

CHORUS:

Echo Valley 2-6809  
I used to call that number all the time  
But the last time that I called you  
we hung up cryin'

Echo Valley 2-6809  
I can see it clearly in my mind  
But I'm scared to call 'cause it's been  
such a long, long time

Never been much for writin', 'cause what do you say to  
a dream that's dyin'  
A fragile lifeline that's untyin', oh no - oh, no

I can't face the sunrise - lightin' up a road to nowhere  
Where you are - I have to go there - are you waitin' - I've  
got to know

CHORUS:

Echo Valley 2-6809  
I gotta call that number one more time  
'Cause I've just got to know if you're still mine

Spoken: "Hello, operator? Get me Echo Valley 2-6809"  
Operator: "You have reached a disconnected number"

CHORUS:

Echo Valley 2-6809  
I shoulda called that number

Echo Valley 2-6809  
I shoulda called that number

REPEAT AND FADE
