Last night, I turned out the light, lay down and thought
about you
I thought about the way that it could be
Two o'clock, wonderin' what I'm doin' here alone
without you
So I close my eyes and dream you here to me, and

CHORUS:

I woke up in love this morning
I woke up in love this morning
Went to sleep with you on my mind
I woke up in love this morning
I woke up in love this morning
Went to sleep with you on my mind

Hello, girl, yes it's five o'clock I know but you just listen
There's something that I've got to let you know
This is you, this pillow that I'm huggin' and I'm kissin'
And one more thing before I let you go

CHORUS

BRIDGE:

Do dreams come true, well if they do, I'll have you
Not just for a night, but for my whole life through

CHORUS

REPEAT AND FADE
