#### INTRO:

You know that I've been watchin' you for quite some  
time

Tryin' to find a way of makin' you mine  
Long before you started a-comin' on strong with me  
With a super charm that brought me down to see

Hey, didn't you know that you've been actin' like a  
movie star

And didn't you think I'd dig the person you are  
No, you never really had to put on all that show  
I decided when I met you a long, long time ago -- whoa,  
whoa

#### CHORUS:

I would have loved you anyway  
I would have thought you were fine  
I would have taken you any day  
I still would try to make you mine  
I would have loved you anyhow  
I would have thought you were O.K.  
Just like I'm lovin' you here and now  
tellin' ya I'll never go away -- go away

So you never really had to put on all that show  
I decided when I met you a long, long time ago -- whoa,  
whoa

#### CHORUS

#### REPEAT AND FADE
