"If You Ever Go"

Visit "[If You Ever Go](#)" on MotoLyrics.com

If you ever put me down, I would fall right through the
ground
Couldn't make it on my own, couldn't stay here all
alone
And there would be no sun and there would be no one
to run to

CHORUS:

If you ever go
Honey, you'll never know
What it would do to me
The hurt would be new to me
If you could ever believe
The love I got up my sleeve
Then you would never go
Honey, don't ever go

If you ever said goodbye, I would want so much to die
All the world would look so gray, couldn't face another
day
And there would be no sun and there would be no one
to run to

CHORUS

INSTRUMENTAL VERSE:

And there would be no sun and there would be no one
to run to

CHORUS

FADE
