Got on a silver plane and flew away,
Chased all my rainbows to the end
I wish I knew then what I know today,
I'm on my way back home again

Love --
That's what's waitin' for me,
That's where I've got to be
Just to look in your eyes,
Feel your lips touchin' mine

CHORUS:
I'm on my way back home, gonna fly
I'm on my way back home, gonna fly
I'm on my way, I'm on my way back home to you

I went to look for Mister Happiness, only to find he
wasn't in
Wouldn't you know I had the wrong address, I'm on my
way back home again

Love --
That's what's waitin' for me,
That's where I've got to be
Just to look in your eyes,
Feel your lips touchin' mine

CHORUS

BRIDGE:
I remember when you told me I'd return
You knew even then something I had to learn
It's so far and yet it's right there where you live
It's something that you get only when you give and it's

Love --
That's what's waitin' for me,
That's where I've got to be
Just to look in your eyes,
Feel your lips touchin' mine

CHORUS

REPEAT AND FADE
