You can be what you feel, life is a ferris wheel, come
take a ride
It's on the inside where you will find it's all in your mind

Listen, listen

You take a friend of mine, he was sad all the time, then
he got smart
He opened his mind and it helped him to find it's all in
your mind
It's all in your mind, it's all in your mind

Listen, listen

It doesn't matter at all who you are or what you need
Just take a look inside, I'm sure you'll find it's there in
your mind
Baby, it's all in your mind -- baby, it's all in your mind

Who needs money in a land of milk and honey?
I'll tell you one more time,
You'll find it in your mind
Baby, it's all in your mind
Listen, listen

You can be what you feel,
Life isn't really real,
It's up or down
Get your feet on the ground and maybe
You'll find it's all in your mind

It's all in your mind,
It's all in your mind,
It's all in your mind

It's all in your mind,
It's all in your mind
It's all in your mind,
It's all in your mind

REPEAT AND FADE
