#### INTRO:

There'll come a time, I know, you might see me after a show

Maybe there'll be no one else around

Just take a good look at me, if you forget just who I might be

Don't be surprised if someone real is found

#### CHORUS:

You know I got feelings just like you

When I get lonely I cry too

Can't you see I'm not a circus clown

And if you think you like what you see

How 'bout coming along with me

Take a chance on someone who's been down

Oooo.....

Do do do do doo do do do do do do do do do do doo do  
do do do do

Don't let me walk by alone, 'cause I'd have stopped if I had known

You'd care to know who I was inside

#### CHORUS

REPEAT AND FADE
