Everybody needs a little time away  
I've heard her say, from each other  
Even lovers need a holiday  
Far away from each other

Hold me now  
It's hard for me to say I'm sorry  
I just want you to stay

And after all that you've been through  
I will make it up to you  
I promise you, baby

And after all that's been said and done  
You're just the part of me I can't let go

Couldn't stand to be kept away  
Not for a day from your body  
Wouldn't want to be swept away, away  
Far away from the one that I love

Hold me now  
It's hard for me to say I'm sorry  
I just want you to know

Hold me now  
I really want to tell you I'm sorry  
I could never let you go

And after all that we've been through  
I will make it up to you  
I promise you

And after all that's been said and done  
You're just a part of me I can't let go  
I can't let go
