I go downtown and roam all around  
But every street I walk, I find another dead end  
I'm on my own but I'm so all alone  
I need somebody so I won't have to pretend

I know there's someone just waiting somewhere  
I look around for her but she's just not there

Oh, doesn't somebody want to be wanted like me,  
where are you  
Doesn't somebody want to be wanted like me, just like  
me

I'm running free but I don't want to be  
I couldn't take another day like yesterday  
I'm dead on my feet from walking the street  
I need somebody to help me find my way

I've gotta get out of this town  
Before I do I'll take a last look around

Oh, doesn't somebody want to be wanted like me,  
where are you  
Doesn't somebody want to be wanted like me, just like  
me

You know, I'm no different from anybody else  
I start each day and end each night  
But it gets real lonely when you're by yourself  
Now where is love and who is love, I gotta know

Doesn't somebody want to be wanted like me, where  
are you  
Doesn't somebody want to be wanted like me, just like  
me  
Doesn't somebody want to be wanted like me, where  
are you  
Doesn't somebody want to be wanted like me, just like  
me

Doesn't somebody want to be wanted like me, where  
are you
