Got on a silver plane and flew away,  
chased all my rainbows to the end  
I wish I knew then what I know today,  
I'm on my way back home again

Love --  
that's what's waitin' for me,  
that's where I've got to be  
Just to look in your eyes,  
feel your lips touchin' mine

CHORUS:

I'm on my way back home, gonna fly  
I'm on my way back home, gonna fly  
I'm on my way, I'm on my way back home to you

I went to look for Mister Happiness, only to find he  
wasn't in  
Wouldn't you know I had the wrong address, I'm on my  
way back home again

Love --  
that's what's waitin' for me,  
that's where I've got to be  
Just to look in your eyes,  
feel your lips touchin' mine

CHORUS

BRIDGE:

I remember when you told me I'd return  
You knew even then something I had to learn  
It's so far and yet it's right there where you live  
It's something that you get only when you give and it's

Love --  
that's what's waitin' for me,  
that's where I've got to be  
Just to look in your eyes,  
feel your lips touchin' mine

CHORUS

REPEAT AND FADE
