Today may be a never ending highway  
And yesterday a half-forgotten smile  
But I can hear tomorrow singing  
From around the bend

It's just another dusty mile  
And I've got dreams to spare  
And time to spend  
Time to spend

So I'm on the road  
Travelin' free and easy  
Travelin' on  
Gotta get on

Well, I gotta get on  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road

The morning whispers follow me, come my way  
By noon, I'm on the far side of the sun  
And I can't keep these wheels from rolling  
In to one more town

There's so much to be seen and done  
To settle up before I settle down  
Settle down

So I'm on the road  
Travelin' free and easy  
Travelin' on  
Gotta get on

Well, I gotta get on  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road

See the country side unreeling, watch it all unwind  
Nothing I know beats this feeling  
Of not knowing where you're going

Or what you're gonna find

So I'm on the road  
Travelin' free and easy  
Travelin' on  
Gotta get on

Well, I gotta get on  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road
