It's one of those nights when you turn out the lights
And you sit in the dark and say to yourself, "I miss her"
It's one of those moods when your body broods
And you conjure up her picture and you kiss her

It's one of those things for the pain it brings
You say to yourself, "Hey, couldn't I live without it?"
Well, I think so, on the other hand, I doubt it

Well, suddenly she's crashing through my mind
Like waves upon the shore
And I nod my head, whoa yes love, I'd welcome you
again
If you knocked upon my door

If you didn't, I'd seek you out love, I'd track you down
for sure
Like a thousand times before
Whoa, yes love, I'd welcome you again
Like you know I've done before

Ah, yes love, you know I did before
Ah, yes love, you know I did before

And so it goes it's a cold in your nose
It's a pain in the neck, it'll make you a wreck if it gets ya
It's so insane 'cause for all the rain
When you ask yourself, could you do it again? You
betcha

I hear a voice say, you got no chance
And it makes me mad and I shout, "Oh yeah, who says
so?"
Well, of course not, on the other hand, I guess so

Whoa, suddenly she's crashing through my mind
Like waves upon the shore
And I nod my head, whoa yes love, I'd welcome you
again
If you knocked upon my door

If you didn't, I'd seek you out love, I'd track you down

for sure
Like a thousand times before
Oh, yes love, I'd welcome you again
Like you know I did before

Ah, yes love, you know I did before
Ah, yes love, you know I did before
Ah, yes love, you know I did before
