In the eyes of the world
I'm a loser just wasting my time
I can't make a dime
In the eyes of the world
Being born was my first big mistake
I can't get a break

But in the eyes of my woman
I stand like a hero, a giant
A man who's as tall as can be
Any fool can see

That she's looking through the eyes of love
She's looking through the eyes of love
She's looking through the eyes of love
When she looks at me

In the eyes of the crowd
I'm a do nothing kind of a guy
Who'll just live and die
In the eyes of the crowd
I'm another poor Joe on the street
Can't get on my feet

But in the eyes of my woman they're wrong
I'm a king and a lover
Strong and as brave as can be
Any fool can see

That she's looking through the eyes of love
She's looking through the eyes of love
She's looking through the eyes of love
When she looks at me

She's makin' me believe someday
Someday I'm gonna find a way
To be the man that she can see when she looks at me

Looking through the eyes of love
She's looking through the eyes of love
She's looking through the eyes of love
