There'll come a time, I know  
You might see me after a show  
Maybe there'll be no one else around

Just take a good look at me  
If you forget just who I might be  
Don't be surprised if someone real is found

You know I got feelings just like you  
When I get lonely I cry too  
Can't you see I'm not a circus clown

And if you think you like what you see  
How 'bout coming along with me  
Take a chance on someone who's been down

Do do do  
Do do do  
Do do do

Don't let me walk by alone  
'Cause I'd have stopped if I had known  
You'd care to know who I was inside

You know I got feelings just like you  
When I get lonely I cry too  
Can't you see I'm not a circus clown

And if you think you like what you see  
How 'bout coming along with me  
Take a chance on someone who's been down

You know I got feelings just like you  
When I get lonely I cry too  
Can't you see I'm not a circus clown
