Deathmachine from Hell's heat
Turns your flesh into meat
Bestial Evil coming near
Stab your lord with a spear

Motordriven Devil's fist
Bloody servant of the beast
Sodomize you fuckin' fast
Spreading Hell's unholy lust!

Demon speed - raging fire!
Demon speed - death to liar!
Demon speed storm of hate!

Demon speed
Demon speed

Demon speed - seal your fate!
Demon speed - die in flames!
Demon speed - cut your veins

Demon speed
Demon speed
Demon speed
Demon speed
