The sun cried  
Fire upon me  
I feel the pain  
My skin buckling  
And I giving away  
To a new horrid life  
I loved you  
For my soul  
Burns without you  
Tonight  
Rise  
Live without you  
Burns  
Ruling this life  
Burns my soul  
Rise  
Why  
Good thing can not  
Be left alone  
I want it all  
Take him  
Pull out my eyes  
And cut my tongue  
I'd rather rule  
Than serve, than serve  
I won't be you  
I can't  
I die for it  
I can't  
The flames are my home  
Again and again  
I know this life  
Again, again  
I hate this life  
Oh, death becomes me
