A man without no reason

Just stand behind the time

Been waitin' since he was a boy...

Buried all his toys

But a plastic gun still in his hand

Keep trainin' to kill the kid inside

Who'd found a hole to hide

Now it turns to a metal gun, the man

Loads it with black bullets, so he is

Thinkin' about his dead end future, and

Shoots the past and now on his knees

Close your eyes and shoot your head, "he said"

The kid inside is still alive...

No more bullets left

And the man is all dead, with no bloody hand or bloody head

Just a young boy's standin' by the dead man

With a plastic gun in hand

Now it turns to a metal gun, the man

Loads it with black bullets, so he is

Thinkin' about his dead end future, and

The kid inside is still alive...

Boy buried the dead man

But a plastic gun, still in his hand

Keep trainin' to kill the kid inside

Who'd found a horse to ride...
