I wanna toast, on behalf of y'all  
'Cause the more we get  
The more we takin' from other people baby  
Brooklyn

Here's a toast to all the dons, dope fiends and hoes  
Long cons, diamond rings and the kings that blow  
To all the killas and the hustlas who seem some low  
What the deal daddy, it's all good, get that dough

'Cause a y'all, I praise clothes, jewels and cars  
Paid dues, been schooled but can't remove the scars  
Boxed in, it's my life now, part of the game  
On the streets with the hustlas who hustle the same

Some of vein, let's toast to all the guns and the gangs  
All the wheelchair victims and the one's with the cairns  
I'm numb to the pain, it's realness that runs through the vein  
Becomin' sane, so many throwin' slumb in the game

So let us toast to the ones in memory of  
All [Incomprehensible] jams we remember we love  
Remember we thugs, [Incomprehensible], Crips and  
Bloods  
Latin Kings, Five Percenters, thieves and pimps  
because

Whatever makes the world go 'round, we down  
And we'll react as this world go 'round, we lounge  
So raise your cups to the real dogs that raised the pups  
And all the young chicks finally at that age to fuck

The razor cuts, gun wounds that laid us up  
From the beef and all the streetsweaps that made us  
rough  
Made some suck, some wasn't made to trust  
Still I toast to the east coast, the stage is us

Throw it up for the niggas that could, hold it up  
Fold it up, if it's fast money, slow it up  
The streets need it, it's gangsta when the beats get

pleaded

Sleep, eat and breath it, it's the life, love it or leave it

To the playas and the hustlas, pimps and kings  
Rich niggas sittin' on mils with ice in their rings  
To the bitches and the real hoes, let's raise a toast  
Show love, who could take paper the most

To the playas and the hustlas, pimps and kings  
Rich niggas sittin' on mils with ice in their rings  
To the bitches and the real hoes, let's raise a toast  
Show love, who could take paper the most

So from the streets where the hustlin' brought us to life  
From the beef and all the scufflin' that taught us to  
fight  
The poisonous bikes, police gun wars in the night  
The whores in the night, fiends up four in the night

Gave us new style, but some just became too foul  
Now it's two-thou', year two-thou'  
So I toast to the live that know they broke  
Cookin' bag they own work and know they coke

Roll they smoke, the underworld that know they loc  
It's the life when you catch strikes and hold no notes  
Nothin' to lose for some that's all out for game  
Fued in school, show us all out in vein

First chips niggas get, out comes the chain  
That's it, soon his name be, out the game  
It's the life, it's like dice, some win, some lose  
We pay the price but it's the life that the real ones  
choose

To the playas and the hustlas, pimps and kings  
Rich niggas sittin' on mils with ice in their rings  
To the bitches and the real hoes, let's raise a toast  
Show love, who could take paper the most

To the playas and the hustlas, pimps and kings  
Rich niggas sittin' on mils with ice in their rings  
To the bitches and the real hoes, let's raise a toast  
Show love, who could take paper the most

To the playas and the hustlas, pimps and kings  
Rich niggas sittin' on mils with ice in their rings  
To the bitches and the real hoes, let's raise a toast  
Show love, who could take paper the most

To the playas and the hustlas, pimps and kings

Rich niggas sittin' on mils with ice in their rings  
To the bitches and the real hoes, let's raise a toast  
Show love, who could take paper the most

Show love
