*You'll never know what you've lost... *

Hold on...
Hold on...
Hold on tight to me.
See things...
Hear things...
For what they really mean.
Can't you?
Won't you?
Just believe in me?
I hope...
I'm not...
Just a memory.

But your heart is not healed
And all your anguish is revealed

I know, The healing is painful
And the, heartache... Unbearable.
But don't, dismiss me so quickly...
Until you see inside of me...
I know, you'll realize someday...
What you've lost by pushing me away, but...
Sometimes, you have to take a leap and,
See all that my love can bring...

Hold on...
Hold on...
Hold on tight to me.
See things...
Hear things...
For what they really mean.

But your heart is not healed
And all your anguish is revealed

I know, The healing is painful
And the, heartache... Unbearable.
But don't, dismiss me so quickly...
Until you see inside of me...
I know, you'll realize someday...

What you've lost by pushing me away, but...
Sometimes, you have to take a leap and,
See all that my love can bring...

Hold on...
Hold on...
Hold on tight to me.
See things...
Hear things...
For what they really mean.

I know, The healing is painful
And the, heartache... Unbearable.
But don't, dismiss me so quickly...
Until you see inside of me...
I know, you'll realize someday...
What you've lost by pushing me away, but...
Sometimes, you have to take a leap and,
See all that my love can bring...
