Please, Excuse me while I dream of you
With your thought in my mind I feel Alive
So Alive, I'm Feeling Fine, Your Eyes Stand Out In My
Mind.
So Alive, I'm Feeling Fine, Your Eyes Stand Out In My
Mind.

---So Beautiful---

Pick me up,
Throw me down,
You got
My head feeling dizzy
I wonder what is next?
If only my heart spoke out loud
I'd play it over and over for you
So Alive, I'm Feeling Fine, Your Eyes Stand Out In My
Mind.

The stars they fall around me when I think of you
The seasons changing just like, like I would for you
The stars they fall around me when I think of you
The seasons change like I would for you
The stars they fall around me when I think of you
The seasons change like I would

Open up my heart
You've landed with me
So close to
Everything that I,
That I have always needed
Tonight I'll dream of you

So Alive, I'm Feeling Fine, Your Eyes Stand Out In My
Mind.
So Alive, I'm Feeling Fine, Your Eyes Stand Out In My
Mind.

The stars they fall around me when I think of you
The seasons changing just like, like I would for you
Like I would for you

The stars they fall around me when I think of you (So
Beautiful)
The seasons changing just like, like I would for you (So
Beautiful)
The stars they fall around me when I think of you
The seasons change like I would for you
The stars they fall around me when I think of you
The seasons change like I would
