In my dreams it's still the same
Your love is strong, it still remains

Toss and turn all night in the sheets
I can't sleep
Night after night don't know what it means
In my dreams

What can I say or do
You wont come back, were through
I've realised too late
That, baby, your love has turned away

In my dreams it's still the same
Your love is strong, it still remains
In my dreams you're still by me
Just the way it used to be

Calling your name, but you're turning away
Please don't leave
Running in circles, waiting to see you
In my dreams

What can I say or do
You wont come back, were through
I've realised too late
That, baby, your love has turned away

Repeat

In my dreams I'll never be without you
In my dreams there's nothing we can't do
In my dreams I never have to doubt you
In my dreams I'm still in love with you, it's true

Repeat
