Ronnie is a psycho and he doesn't understand.
I wish someone would tell him he's no longer in my
band.
Ronnie's got a problem he's afraid to drive a car;
each day he'd like to tour but he can't push his amp
that far.
He got kicked out five years ago,
but he still doesn't seem to know.
I wish someone would make him go away.

Ronnie is a psycho-oh-oh

Ronnie is a psycho-oh-oh
oh a-woah-oh a-woah woah-ohhhhhhh
oh a-woah-oh a-woah woah-ohhhhhhh
Ronnie is a psycho and he spends all day in bed.
That hooker really liked him, well at least that's what he
said.
Ronnie is a pussy but he thinks he's really tough;
if I come to his house he'll have his sister beat me up.
His band can't think of any name,
so his and mine are still the same;
the difference is they don't know how to play.

Ronnie is a psycho and he isn't very bright.
He sure is parasitic but he's not a parasite.
Ronnie is a lose end and it's getting old real fast,
and if he doesn't disappear we're gonna kick his ass.
Now all he does is watch TV,
and tell his mom why he hates me.
I wish he'd move to Yugoslav-i-a.
