(Verse and refrain sung simultaneously)

-Verse1

We're the children of New Eden
Bound for Pleasure's Isle...

Life bereft of pain is simple
Just have fun and smile...

-Verse2

Why concern yourself with knowledge
Seeking evermore

Gorgy-Porgy steams our porrage
In delight we soar...

-Refrain (Choir Chant)

In this garden we all play
We try to cast our fears away

No deep thought shall pass our way
For pain is knowledge, knowledge pain...

Instrumental solos...
