I never meant to make you cry,  
Don't let those tears fall from your eyes,  
I know I hurt you and it's killing me,  
Just give me the chance for me to make you see.

Baby look into my eyes, wipe the tears you cry,  
I'll never love anybody but you,  
I'm down on my knees and I'm begging you please,  
Will you forgive me?

Baby look into my eyes, wipe the tears you cry,  
I'll never love anybody but you,  
I'm down on my knees and I'm begging you please,  
Will you forgive me?

Forgive me

I never meant to break your heart,  
You know I loved you from the start,  
I can't believe that this is happening.

Your love is like the air I breath,  
I'm on my knees baby please don't leave,  
One more chance is all I need.

Baby look into my eyes, wipe the tears you cry,  
I'll never love anybody but you,  
I'm down on my knees and I'm begging you please,  
Will you forgive me?

Baby look into my eyes, wipe the tears you cry,  
I'll never love anybody but you,  
I'm down on my knees and I'm begging you please,  
Will you forgive me?

Will you forgive me?

Forgive me...

Will you forgive me?

Forgive me.
