What's out hands up on the ground,
we're B-boys looking for that Hugo sound
we're the guys with a mission,
to establish a condition where the beast
gonna drive you mad,
Agent Hugo he's the man,
He's the troll undercover with a master plan
Trills Miss hunny bunny,
miss hunny bunny,
Dis- miss hunny bunny

Here he comes!

Hugo on a mission,
gonna make it all right,
the future of the villains isn't all too bright,

Hey now what you say,
here's the game that you gotta play,
Gotcha - too slow,
Watch out agent Hugo

Hey now what you say,
The troll is back witch a brand new game
Gotcha - too slow,
Watch out agent Hugo.

Gonna hit you like boom ball,
keep your head down make no sound ya'll
we're the Hugo- B-boys back in the frame,
fat track like that it's the name of the game,
you won't catch me Dr.Nogo
Cause I'm gonna drive you loco
so listen up folks,
about time you know,
that's we're gonna be around,
wherever you go.

Hugo on a mission,
gonna make it all right,
the future of the villains isn't all too bright,

Hey now what you say,
here's the game that you gotta play,
Gotcha - too slow,
Watch out agent Hugo

Hey now what you say,
The troll is back witch a brand new game
Gotcha - too slow,
Watch out agent Hugo.

Everybody say Hey ho
"Hey ho"
Everybody say, oh oh oh oh
"Oh oh oh oh"
Everybody say B-boys
"B-Boys"
say B-boys
"B-boys"

Hugo on a mission,
gonna make it all right,
the future of the villains isn't all too bright,

Hey now what you say,
here's the game that you gotta play,
Gotcha - too slow,
Watch out agent Hugo

Hey now what you say,
The troll is back witch a brand new game
Gotcha - too slow,
Watch out agent Hugo.
