He takes you out and he gives you much
Just to impress you and taste your touch
And honey can't you see
He's up to no good
He's not your type so let me tell you
That it's not wright cause your supposed to be treated
Like a butterfly oh baby, baby now I said it
You deserve someone nice, can't see
The only guy you need is me
I ain't got much to show - kind of broke
But my mind is kind of set and I know
That you are my special one
Hey girl it's true
I'm for real baby, I'm in love with you

I'm not an actor, I'm not a star
And I don't have my own car
But I'm hoping so much you'll stay
That you will love my anyway

I heard he takes about you like he owns you
Braggs about you being with him, I told you
He's so selfish he really don't care about you
You're just a price possession, he's not true
Tries to buy you, but baby don't play his song
Ask any other, you see I'm not wrong
I'd really like to know what you're like and who you are
Cause I can give you more than just a ride in a flashy
car
It's not worth it baby, he goes around
With every other girl in town he let's you down
So open your eyes cause I'm right here standing
Whit a love for you if you need it

I'm not an actor, I'm not a star
And I don't have my own car
But I'm hoping so much you'll stay
That you will love my anyway

He takes you out and he promise you
The whole world will be yours
I just can tell you I love you so

Even though my odds are low

I'm not an actor, I'm not a star
And I don't have my own car
But I'm hoping so much you'll stay
That you will love my anyway
