Your bottom is the biggest  
I guess it's how it's positioned and where it sit at  
All up high and that's why I wanna hit that (yes)  
Get at me before you leave off tha scenene  
I'mma post over there in these thousand dollar

With Gipp at the bar with the rest of my teneam  
I know I sound anxious but momma I'm on a beanean  
You know what I meanean, I hope you on the scenene  
The way you move that thing that got me insinane  
I seen you when I walked over dancing with that liname  
Damn girl, that ass off the chinain

Booty, booty, booty, booty, booty  
Now move your booty to tha beat  
Go head  
Now watch me move it to tha beat

Yeah hey lil mama, what you doin on the cinurb  
Pretty face, long lean draggin on the flinnur  
Light blue benz got fins like flippers  
So plush when I push guaranteed to hit her  
Split her, put her on lean and baby sit her  
Feathers round her neck, buck naked ' take a picture  
(Kodak)  
No mixed drinks, straight shot. She got a sizzurp.  
She can't be my girlfriend but she can be my wizzur  
Tall heels, painted toes in them glass slippers  
All spandex, no buttons, no zippers

Body tap tippers  
Blow pop lickers  
Booty in my face with the wide load sticker  
Moonshine sippers  
Money go-getters  
In every city we go, the freaks gon feel us  
Give it to slow it down  
Spin around, don't run  
Gipp got a jaw breaker for ya honey bun

You see me watchin that booty  
Booty, booty, booty, booty, booty  
I see you lookin at my booty  
Booty, booty, booty, booty, booty  
Now move yo booty to tha beat  
Go head  
Now watch me move it to tha beat  
Go head  
You see me watching that booty

I want all that booty in line  
So when the beat break down one time  
Just grind  
And if you bring a friend, now that's fine  
I want all that booty in line  
So when the beat break down two times  
Just grind  
And if you bring a friend, well that's fine

There it is  
If your lady didn't come back  
Gipp must have pimped her  
Gotta dig deep, Nickname Dirk Diggler  
If she fine then a dime  
Then she mine with the hidump  
I'm pumped  
Watch me jump pronto on that rizzump  
Playin wit a onion, can't get no bigger  
Zip lock that ass and bag it like killer  
I'm a ??? comprede, fo sheezy in midday  
For shorty sho' shake that for that kitty

You see me watchin that booty  
Booty, booty, booty, booty, booty  
I see you lookin at my booty  
Booty, booty, booty, booty, booty  
Now move yo booty to tha beat  
Go head  
Now watch me move it to tha beat  
Go head

You see me watching that booty, booty, booty, booty
