[Chorus]

Let 'em fight (let 'em fight) let 'em fight (let 'em fight)
Don't break it up, let 'em go, let 'em fight (let 'em fight)
Let 'em fight (let 'em fight) let 'em fight (let 'em fight)
Don't break it up, let 'em go, let 'em fight (let 'em fight)

[Gipp]

Yeah, it ain't nothin for Gipp to put it where them
magazines
change the whole atmosphere of the club, them rattle
things
I'm like y'all, pump sweatin out my triple beams
Shirt's off, one on one up in the pork-and-beans
Where the walls sweat, security ain't shit
And e'rybody signed came up in the club {?} (let 'em
fight)
First came a push, then came a scream
Bottles and chairs start flyin and all kinda things

[Chorus] repeat 2X

[Ali]

Yo, yo, yo
Aiyyo we bust through the door with no I.D.; so what
they cardin?
Passed the police, SWAT team and the drill sergeant
Violent music makin, this is how we start shit
Like dem fights, we might jump in the moshpit
You can't stop us, we take it, way past the margin
Swing a bow at your nose on purpose and hit the target
The guard get bruised and scarred, pop with a hard
head
Your garment is left with blood, stained at the party
[Chorus] repeat 2X

[Gipp]

Yeah, we on that water water, we on that yellow yellow
We on them pills pills; tell me how you really feel
Brown liquor in my cup I tell a lil' quicker
Like real shit on ice in ya grill, ain't nothin slicker
I hit that bitch with a bottle, a bottle
Put her back in line like her father, her father

Slam dunk, cold world put her life back in order
And if it go to court shawty you won't get a dollar

[Ali]

Said head (head) shoulders (shoulders) knees and
toes (knees and toes)

Go in the crowd at e'ry one of our shows (one of our
shows)

I seen this po', nigga get pistol-whipped with the fo'
I seen this hoe, get her head busted with a Manolo
Blanco

Shit, go on and clear the flo'

Let 'em go 'head up, let 'em go for what they know

Let this circle be the ring, let the crowd be the judge

But whatever you do, don't let nobody break it up

[Chorus] repeat 2X
