I walk a lonely road  
The only one that I have ever known  
Don't know where it goes  
But it's home to me and I walk alone  
Today is gonna be the day  
That they're gonna throw it back to you

I walk this empty street  
On the boulevard of broken dreams  
Where the city sleeps  
And I'm the only one and I walk alone  
By now you should've somehow  
Realized what you gotta do  
I walk alone I walk alone  
I don't believe that anybody  
Feels the way I do about you now  
I walk alone I walk a-

My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
'Till then I walk alone

Every day I wake up and it's Sunday  
Whatever's in my eye won't go away  
The radio is playing all the usual  
What's a Wonderwall anyway

Backbeat the word was on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody feels  
The way I do about you now

I'm walking down the line  
That divides me somewhere in my mind  
On the border line of the edge  
And where I walk alone  
Today is gonna be the day  
That they're gonna throw it back to you

Read between the lines  
What's fucked up and everything's all right  
Check my vital signs to know I'm still alive  
And I walk alone  
Today is gonna be the day  
That they're gonna throw it back to you  
I walk alone I walk alone  
By now you should've somehow  
Realized what you gotta do  
I walk alone I walk a-

And all the roads we have to walk along are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
I don't know how

I walk this empty street  
On the boulevard of broken dreams  
Today is gonna be the day  
That they're gonna throw it back to you  
I walk this empty street  
On the boulevard of broken dreams  
By now you should've somehow  
Realized what you gotta do  
Where the city sleeps  
And I'm the only one and I walk a-

Because maybe  
My shadow's the only one that walks beside me  
You're gonna be the one who saves me  
My shallow heart's the only thing that's beating  
You're gonna be the one who saves me  
Sometimes I wish someone out there will find me  
'Till then I walk alone

Sing with me, (Sing!) sing for the year (Sing It!)  
Sing for the laughter, sing for the tear (Come on!)  
Sing with me, just for today  
Maybe tomorrow, the good Lord will take you away
