Spread your love like a fever  
And don't you ever come down  
Spread your love like a fever  
And don't you ever come down  
I spread my love like a fever  
I ain't ever coming down

She gave her love like a big fire  
I only saw it once  
She spread her love like a fever  
She's bad, but not enough

(I'm so low)  
Spread your love like a fever  
(I'm so low)  
And don't you ever come down  
(I'm so low)  
Spread your love like a fever  
(I'm so low)  
And don't you ever come down  
I spread my love like a fever  
I ain't ever coming down

She spread her love like a big fire  
I only saw it once  
She gave her love like a sister  
She's bad, but not enough

(I'm so low)  
Spread your love like a fever  
(I'm so low)  
And don't you ever come down  
(I'm so low)  
Spread your love like a fever  
(I'm so low)  
And don't you ever come down  
I spread my love like a fever  
I ain't ever coming down

Spread your love like a fever  
And don't you ever come down  
Spread your love like a fever

And don't you ever come down  
Spread your love like a fever  
Spread your love like a fever  
Spread your love like a fever  
Spread your love like a fever
