=====  
Baby Chaos - Breathe  
=====

I bought her flowers

When she was dead

It was the first time

That I did that

It was pretty bad

Im feeling lonely

Im all alone

Shes all inside me

I should have known

Now I want to give up

But I cant stop breathe

Breathe

Its one in ten

But so Ive heard

You are so lucky

Its quite absurd

I try not to hate you

Am I dreaming?

I wish I was

The truth is painful

I know the cause

Nom I want to give up

But I cant stop?

Dont try
