[Intro: Krayzie Bone] [Repeat 2x]

Who the thugs with the wickedest rhymes

Wickedest rhymes, wickedest rhymes

[Chorus: Krayzie Bone & LaReece] [Repeat 4x]

Bone Thugs back and your gonna be in trouble

[Verse 1: Krayzie Bone]

We keep it goin' get it for the Mid West

Krayzie, Layzie, Bizzy, Wish

We can't forget about Flesh

We finna drop another bomb

We figure they can't take another rhyme

Come back off and get um with another platinum  
rythm

and they won't fuck in the lab

They want to try to keep up so come on

Thirty million sold and that I'll just stay at that now what  
about that

Listen to the thuggish

And listen to every other rapper rap about who that  
come from

Talkin' Bone fell off

Say what they bust just like us

They ain't even knowin' were it came from like richer  
niggas

They ain't going to give it to us so we gon take it

We just come to tell you that Bone Thugs back

And we still creepin'

[Chorus: Krayzie Bone & Lareece] [Repeat 4x]

Bone Thugs back and your gonna be in trouble

[LaReece]

Guess who's back. [Repeat 7x]

[Verse 2: Wish Bone]

Now tell me how many thugs

Get down like us  
And still harmonize like the great Temptations  
Sit back look back  
Came in the game  
Came right back (back) With no hesitation  
Put up yo money honey what ever ya got we won't lose  
Put up or shut up  
Get slapped in front of all your dogs  
And all your dudes  
Cause I'm a smarter thug all ways wanted to be a thug  
What do you think  
Do you think he gon do something  
Don't let the money fool you  
Don't let the money do you  
Cause it ain't really about nothin' (nothin')  
Its just so much they gon let in  
Toss that we gon show you who you are messin' with  
That's why I started a war in this rap game  
You got to hit hard  
And let them now who they dealin' with

[LaReece]

Guess who's back. [Repeat 7x]

[Krayzie Bone & Lareece]

Bone Thugs back and your gonna be in trouble

[Krayzie Bone] [Repeat 4x]

Who the thugs with the wickedest rhymes

Wickedest rhymes, wickedest rhymes

[Verse 3: Layzie Bone]

When we meet on the concrete jungle

We can do it

We can rumble

Take it to the streets

And let the whole world crumble

All I ever seen was heavy smoke in the air

Bustin' heavy shots

They just don't care

If you don't then I'm goin to get all tha bloodiness

Niggas want peace but I know they all gon test us

The thugs commin' back to bring the thug essence

Thugs commin' back to bring back the thug blessings

For the lord where doin' to fight the wind

Imma fight to get them all hyped again

Tell the Bone Thug story again

If a nigga still hatin' a pipe again

Like I did before creep creep and I came

Just four more niggas down for there thang

Never been afraid to let my nuts hang

How to you think Bone Thug made it to the top of the  
game nigga

[Chorus]

[Verse 4: Bizzy Bone]

Fully automatic loaded  
Remy Martin fill my potion  
Coastin' on freeways keep rollin' till we hit the ocean  
Motion on freeways bout to bustin on niggas bostion  
Popi Cholos solo with my pistol so smokin'  
Pullin' pop up bitch nigga if you talkin'  
Token', tortin' with my pistol  
Got you people open  
These niggas is enemys  
Shots up in they body  
Never was friend to me  
Pass me the Hennessey  
Hey

[Krayzie Bone & Lareece]

Bone Thugs back and your gonna be in trouble

[Krayzie Bone] [Repeat 4x]

Who the thugs with the wickedest rhymes, wickedest  
rhymes, wickedest rhymes.

[Repeat till the end]
