I was playing dress up in my friends yard  
Till I saw a strange man with a blue car  
He said; Come but I don't know who you are  
He said: Fun Lots of candy in a jar  
Yeah right! Oldest trick in the book  
IÂ'm gonna scream very loud I think youÂ're a crook  
Whatchu looking at? you don't know me!  
You said my mom sent you here? Balony!  
Ham sandwich! YouÂ're a turkey!  
IÂ'm not gonna play with you; youÂ'll hurt me!  
Get outa here! before I scream dead!  
YouÂ'll get the worst woopin that you ever had!

Everywhere I go!  
What you see?  
Crazy People All around. Everywhere  
Everywhere?  
Everywhere X3

One day I was with my sister in the mall  
Then we saw a nice lady with a bouncy ball  
She would throw it back and forth up against the wall  
She would trip on her feet then pretend to fall  
That's a trick! mom told me about this!  
If you try to help her out sheÂ'll grab your rist!  
And then stick you in the vein and everyone will miss  
And then put you in the water with the little fish  
Uh uh! Mom warned me about this!  
She warned me early this morning  
While she was pouring all in my cereal  
People get crazy

Everywhere I go!
