Babyface & Stevie Wonder - How Come, How Long
=====

There was a girl I used to know

She was oh so beautiful

But shes not here anymore

She had a college degree

Smart as anyone could be

She had so much to live for

But she fell in love

With the wrong kinda man

He abused her love and treated her so bad

There was not enough education in her world

That could save the life of this little girl

Chorus:

How come, how long

Its not right, its so wrong

Do we let it just go on

Turn our backs and carry on

Wake up, for its too late

Right now, we cant wait

She wont have a second try

Open up your hearts

As well as your eyes
She tried to give a cry for help
She even blamed things on herself
But no one came to her aid
Nothing was wrong as far as we could tell
Thats what wed like to tell ourselves
But no! It wasnt that way
So she fell in love
With the wrong kinda man
And she paid with her life
For loving that man
So we cannot ignore
We must look for this signs
And maybe next time we might save
Somebodys life

Chorus

There was a girl I used to know
She was oh so beautiful
But shes not here anymore
She had a college degree
Smart as anyone could be
She had so much to live for
But she fell in love
With the wrong kinda man
He abused her love and treated her so bad
There was not enough education in her world

That could save the life of this little girl
